

John H. Smith's Renovating Ointment and Horse Renovating Powders.

THE author of our existence has caused to grow up spontaneously throughout the world, such vegetable properties as will at once cure, when properly applied, all curable diseases. The proprietor of these truly valuable Medicines might fill a volume with Certificates and testimonials in favor of his articles; but, considering such puffs wholly useless, since they are so readily manufactured, and made use of to such an extent to palm off so needless trash upon the public, I shall, therefore, state at once, the various diseases that can be speedily cured by these Invaluable Horse Renovating Powders, viz:—Glanders, Hidebound, and Horse Distemper. It also carries off all gross humors, and purifies the blood. It is also a safe and certain cure for the Heaves; it will also cleanse, at once, the stomach and man from bots, worms, &c. and again restore the stomach and bowels to healthy action.

SMITH'S RENOVATING OINTMENT is an invaluable remedy for horses, in the cure of the following diseases: Fresh wounds, Galls, of all kinds, Sprains, Bruises, Ringbones, Poll Evil, Wind Galls, Spavins, Sweeney, Fistula, Strains, Lameness, Foul-rotted Feet, Cracks, and Scratches.

The above articles are to be had in most of the Cities & principal Villages throughout the United States, and the Canadas.

For sale, wholesale and retail, at John H. Smith's Depot, No. 123 Fulton street, (2d floor,) New York.

Price, 25 cents per box for the Ointment; 50 cents for the Horse Renovating Powders.

A. GILBERT'S
Anti-bilious Family Pills.
Composed of Medicinal Properties possessed by various vegetable substances.

ACTING specifically on the Liver and other secreting organs, promoting digestion, purifying the blood, cleansing the glands, in short, reviving the prostrated system, and diffusing health and vigor throughout the human frame.

The following are presented out of many CERTIFICATES.

CORNWALL, Orange county, N. Y.
May 19, '47.

Dr. A. GILBERT. Dear Sir: Suffering for some time with severe bilious affection and liver complaint, I was recommended to try your anti-bilious family pills; and I am pleased in being able to say, that after using a few doses I found great and permanent relief. To all those afflicted in a similar way, I cannot refrain from thus publicly recommending them, as I consider them a valuable medicine to possess. Especially in the country, where persons are removed from the opportunity of receiving medical advice. Yours, truly,
Signed, GEORGE BROWN.

We, the undersigned dealers in medicine, having for two years past sold A. Gilbert's anti-bilious family pills, take great pleasure in stating that so far as we know, the medicine has given universal satisfaction; and we believe it, from several expressions made to us, to be the best anti-bilious medicine now in use. Signed,

Norfolk, Va. May 29, '44.

Mr. A. Gilbert. Dear sir, please send me four gross of your pills by the very first packet, as I am nearly out of them. The demand for them is very much increased, which can only be attributed to their being recommended by those who have been benefited by the use of them. You can draw on me at sight for the amount as usual.
Signed, G. J.

DR. LEROY'S WILD CHERRY AND SARSAPARILLA PILLS.

THE startling drawback on nearly all medicinal agents has ever been that in their process of purification and purification they have also DEREGULATED THE SYSTEM. Hence purgative medicines were regarded as at best but a necessary evil, patients resorting to them for the relief of one disease at the expense of ANOTHER. To obviate this, physicians have long sought for an agent that would at the same time purge, purify and strengthen; but their efforts were nearly fruitless, and they had almost despaired of success when the labors of science, and research were rewarded by a discovery which fully realized the fondest desires of the medical faculty, and which is justly regarded as one of the most important triumphs that pharmacy has ever achieved. This important desideratum is named

Dr. Le Roy's Vegetable Universal Pills,

which purify the blood and remove all corrupt and vitiated humors, and unhealthy accumulations from the body in a manner never before rivalled, and which yet produce no weakness or lassitude whatever; but on the contrary, tone the stomach and invigorate the constitution during the progress of their operations! Dr. Le Roy's pills in fact unite those heretofore irreconcilable but most desirable qualities, evacuation and invigoration: for they are at the same time a strengthening purgative and a purifying tonic. The two principal ingredients in Dr. Le Roy's pills are

WILD CHERRY AND SARSAPARILLA.

so prepared that each promotes the beneficial effect of the other, the former strengthening, while the latter, through its union with various vegetable ingredients, evacuates and purifies; thus they superinduce no torpidity or lassitude of the digestive functions, & hence their operations are attended by no reaction, or subsequent costiveness.

Dr. Le Roy's pills are the most active and searching medicine in existence. They at once attack the very root of diseases, and their action is so prompt, that in an hour or two after they are taken, the patient is aware of their good effects. They not only operate on the blood, but also on the chyle of which the blood is formed, and this secures good blood from the fountain head; moreover they produce neither nausea, griping or debility, and as a family medicine they have no rival.

MITCHELL'S
EYE SALVE.

To the Public.

THE concurrent testimony of men of integrity and worth is the best evidence we can have of any fact or which we have no cognizance ourselves. The great advantages possessed by this article over every other, are—ITS CERTAINTY, SAFETY, CONVENIENCE and ECONOMY. All physicians admit that great danger is to be apprehended from rubbing the eye when in an inflamed and unhealthy state. In the use of this salve this objection is entirely removed, as no harm can possibly result from its use; it being in all cases applied to the external portions of the eye, thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article into the eye. Its activity in subduing inflammation is so great that but few cases require the use of more than one bottle to effect a perfect cure. One physician remarked to us, after having witnessed its effects in several instances, that it was a "PERFECT FIRE KILLER." We might multiply reasons why this salve should be preferred above every thing else in the treatment of diseases of the eye, but we prefer it should stand on its own merits. All we ask is that its virtues be thoroughly tested, and that the directions be strictly followed.

Every bottle of the genuine salve has the name **MITCHELL'S EYE SALVE,**

blown in the sides of the bottle, and the written signature of the proprietor, **D. MITCHELL,** on the outside wrapper.

MEDICATED INDIA RUBBER
Porous Plaster

FOR RHEUMATISM, LUMBAGO, GOUT, &c.

IN all cases where it is thought advisable to keep up permanent stimulant impressions on or near the organ diseased, these plasters will be found highly valuable. In fact, all the benefit that can accrue from a continuous counter-irritant, will be produced in the most efficient manner by them. As in rheumatism, gout, enlargement of the joints, chronic disease of the liver, spleen, lungs, or other internal organs, in short, in all other cases where warming or strengthening plasters are beneficial, these will be found to be superior to any now in use. For the Removal and Permanent Cure of all NERVOUS DISEASES,
And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM OR MAGNETISM, has been procured by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT

and **MAGNETIC FLUID,**

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in RHEUMATISM, PARALYSIS, PALSY, STIFFNESS OF JOINTS, GOUT, GONITIS, RHEUMATISM, ACUTE AND CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TICS, MORBIDITY OF THE HEART, ANEURISM, NEURALGIA, PAINS IN THE SIDE AND CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, AND CURVATURE OF THE SPINE, HIP COMPLAINT, DISEASES OF THE KIDNEYS, DEBILITY OF NERVOUS AND PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

By the NERVOUS COMPLAINTS, Drugs and violent measures increase the disease, for they weaken the vital energy of the already prostrated system; while under the strengthening, life-giving, exhilarating influence of GALVANISM, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor, and the excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging and physicizing the patient, till exhausted Nature sinks helplessly under the infliction.

They strengthen the whole system, regulate the circulation of the blood, promote the secretions, and never do the slightest harm under any circumstances. Since their introduction into the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else had been tried in vain.

To illustrate the use of the **GALVANIC BELT**, suppose the case of a person afflicted with that base of civilization, DYSPPEPSIA, or any other chronic disorder. Suppose, in ordinary cases, stimulants are taken which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state than with injured health, after the action of the stimulants has ceased. Now compare this with the effect resulting from the application of the **GALVANIC BELT**. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the mensural perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence backward to the positive, keeping up a continuous Galvanic action throughout the system. Thus the most severe cases of DYSPPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF THE

CERTIFICATES AND TESTIMONIALS

Of the most Undoubted Character.

From all parts of the Country could be given sufficient to fill every column in this paper.

AN EXTRAORDINARY CASE,

which conclusively proves that

"Truth is stranger than Fiction."

CURE OF
RHEUMATISM, BRONCHITIS AND DYSPPEPSIA,

Rev. Dr. Landis, a Clergyman

of New Jersey, of distinguished attainments and exalted reputation:—

SHIRAZ, New Jersey, July 12, 1848.

DR. A. H. CHRISTIE.—Dear Sir: You wish to know of me what has been the result of the application of the

GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure to the weather, in the discharge of my local duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Farther in the winter of '43 and '44, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was so thoroughly prostrated, and my Bronchitis became worse, so that I could not perform my duties, and I was obliged to leave my home, and to seek relief in some other place. Such is the wonderful and happy result of the experiment.
